

# NEVADA YOUTH EMPOWERMENT PROJECT

## GET CREATIVE

<Date>

Dear **All**,

I wanted to let you know that I am organizing a fundraising event with some fun activities for us to do to support The Nevada Youth Empowerment Project.

The Nevada Youth Empowerment Project is a local non-profit organization that provides housing, food, and support to parentless and unsupported youth in Northern Nevada.

With your support, I believe that that will be a fun event that will raise money to change lives. So, I would like all of us to get together to have some fun, raise some money, and make a difference.

The money we raise will go to providing food, housing, education, life skills training, and support to parentless and unsupported youth working towards self sufficiency in Northern Nevada.

If you have any great ideas on some things that we could do to raise money, please email me and I will see what we can get organized.

Remember to mark your calendar. I hope to see you there!!!

Thank You,
